

Health and Social Care BTEC Tech Award

Overview

The Pearson BTEC Level 1 / Level 2 Tech Award in Health and Social Care is for learners who wish to acquire knowledge, understanding and technical skills through vocational contexts as part of their Key Stage 4 learning. The Tech Award gives learners the opportunity to develop sector-specific knowledge and skills in a practical learning environment.

The main focus is on three areas, which cover:

- Skills and processes, such as interpreting data to assess an individual's health, and designing a plan to improve their health and wellbeing.
- Attitudes, namely the care values that are vitally important in the sector, and the opportunity to practise applying them.
- Knowledge that underpins the effective use of skills, processes, and attitudes, including human growth and development, health and social care services, and factors affecting people's health and wellbeing.

Course Structure

Pearson BTEC Level 1 / Level 2 Tech Award in Health and Social Care requires learners to complete each of the three components that are outlined below.

Component Number	Component Title	GLH	Level	Assessment Method
1	Human Lifespan Development	36	1/2	Internal
2	Health and Social Care Services and Values	36	1/2	Internal
3	Health and Wellbeing	48	1/2	Synoptic External

Component Details

Component 1 – Human Lifespan Development

Learners will investigate how, in real situations, human development is affected by different factors and that people deal differently with life events.

Learning Aims:

- Understand human growth and development across life stages and the factors that affect it.
- Investigate how individuals deal with life events.

Component 2 – Health and Social Care Services and Values

Learners study and practically explore health and social care services and how they meet the needs of real service users. They also develop skills in applying care values.

Learning Aims:

- Understand the different types of health and social care services and barriers to accessing them.
- Demonstrate care values and review own practice.

Component 3 – Health and Wellbeing

Learners will study the factors that affect health and wellbeing, learning about physiological and lifestyle indicators and how to design a health and wellbeing improvement plan.

Assessment Objectives:

- AO1 – Demonstrate knowledge and understanding of factors that affect health and wellbeing.
- AO2 – Interpret health indicators.
- AO3 – Design a person-centred health and wellbeing improvement plan.
- AO4 – Demonstrate knowledge and understanding of how to overcome obstacles relating to health and wellbeing improvement plans.

Additional Information & Who to contact

- If more information is required, please follow the link to the course specification on the exam board website - <https://qualifications.pearson.com/en/qualifications/btec-tech-awards/health-and-social-care.html>
- If you require any further information or have any questions, then please contact Miss Grigg via email – marie.grigg@consilium-at.com
