3. Liebherr
4. Altitude Foundation

Morrisby Careers

We have invested in the Morrisby Careers software package this year for all pupils. Morrisby **provides all the research tools needed to help students discover the world of work and pathways forward.**

These include subjects of further study, detailed career information (including LMI) and a comprehensive directory of higher courses, institutions and apprenticeships.

This package provides individual access to the careers provision at school as well as a detailed action plan

Please encourage your child to login and begin a journey of discovery together, exploring subject, course and career options tailored to your child.

Morrisby Careers

Getting started

All pupils have been sent a code through their student school emails

1. Log in to your HGA STUDENT EMAIL – using outlook
2. Your child has been provided with a Morrisby code through their HGA student email account, simply sign in using those details.
3. Complete the profiling lesson assigned - prompt your child to complete their profiling assessments and explore suggestions together.
4. Follow up, discuss your child's ambitions and add goals to their action plan

For further information click on the link

<https://www.morrisby.com/parents>

Or contact Mrs Bell:

Claire.bell@consilium-at.com

Careers and Enterprise Future Skills

Questionnaire

Please encourage your child to complete the Careers and Enterprise Future Skills questionnaire as it will help to inform statutory careers provision and help us provide the best possible careers, advice and guidance to your child.

All pupils have been sent a link via their HGA student email account and all parents/carers have been sent a letter with further details of the questionnaire.

Simply follow the link from the email to get started.

The Girls' Network

The Girls' Network aims to inspire and empower girls aged 14-19 and connects them to a mentor and a network of professional role models who are women. The company work with schools and colleges across the UK and will be offering a mentor programme at school in the spring term. The programme encompasses the following activities

- **1-to-1 mentoring**
- **Work experience, insight talks, visits and skills workshops**
- **Ambassador Community**

We are so excited to be working with such an inspiring organisation.

If you would like to find out more about The Girls' Network follow the link below:

<https://www.thegirlsnetwork.org.uk/>

NCS SUMMER 2023

For Year 11 and NCS is an opportunity which is available to Year 11 during the summer. There are now 3 opportunities:

1. Local Community – social action project and volunteering in the local community
2. Online – growing your skills by taking part in some online experiences
3. Away from Home – spend up to 5 days with other young people learning new skills.

NCS is a great opportunity to gain experience for future applications. For more information, visit the NCS website by clicking [here](#). On this website, you can also register for places there are limited places available for the Away from Home programme. IN SCHOOL 21ST APRIL 2023

Financial Literacy Lessons

Delivered by My Personal Finance Skills starting in the summer term.

STEM Week 10th – 14th July

A range of STEM related activities from FE, HE and employer's.

**For more information on Careers Provision please contact Mrs Bell
Careers Education Lead
claire.bell@consilium-at.com**
