

## You are invited!

### Year 11 Revision Support Workshop Thursday 20<sup>th</sup> April 2023, 16:30-17:30

Dear parent/carers,

As we move closer towards the formal exam season, we are continuing to support our Year 11 students with a range of in-school supports, such as Additional Learning on Wednesdays and Thursdays and the 5 O'clock revision room.

As an extra level of support and encouragement for our Year 11 students, I would like to invite you into school for an event around how parents and carers can support their children to revise effectively. We have had many parents tell us that they are unsure of how to best support their child with revision, and so we hope that this informal workshop event will be of benefit to you.

The programme of the evening will include:

- Effective revision skills with Mr Hulse, Deputy Headteacher
- English revision skills with Ms Tunnicliff, Head of English
- Maths revision skills with Ms Kinghan, Head of Maths
- Science revision skills with Mrs Fenwick, Head of Science

I hope that you are able to attend the workshop on Thursday afternoon and look forward to seeing you there.

Yours faithfully,

Mr J Hulse  
Deputy Headteacher (Quality of Education)
