Dear parent/carer,

RE: preferences update

Thank you for supporting your Year 9 child through their preferences process. I have now collated all the preferences forms and have been processing them over the last couple of weeks. I am therefore in the process of subject allocation and will be writing to students soon to update them.

Some subjects are oversubscribed, and this means that a small number of students will not be allocated their first-choice preferences for all their subjects. Where this is the case, students will be spoken to on an individual basis so that one of their reserve choices is selected. Further communication about this will be shared in the coming weeks.

The options email address, HGA-preferences@consilium-at.com, is still live. Please feel free to contact this email address should you have any further queries and I will respond to emails as quickly as possible.

Yours faithfully,

Mr J Hulse
Deputy Headteacher (Quality of Education)
