Year 11 Revision Support Evening
Tuesday 19th March 2024, 17:00-17:45

Dear parent/carer,

As we move closer towards the formal exam season, we are continuing to support our Year 11 students with a range of in-school supports, such as Additional Learning on Wednesdays and Thursdays and the introduction of a 5 O'clock revision room which will launch next week.

As an extra level of support and encouragement for our Year 11 students, I would like to invite you into school for an event around how parents and carers can support their children with revision and wellbeing through the exam season. We have had many parents tell us that they are unsure of how to best support their child at this time in Year 11, and so we hope that this event will be of benefit to you.

I hope that you are able to attend on Tuesday afternoon and look forward to seeing you there.

Yours faithfully,

Mr J Hulse
Deputy Headteacher (Quality of Education)
